

PRESS RELEASE, 20 DECEMBER 2012

FormPipe Software receives order from a Swedish authority worth SEK 2 million

FormPipe Software receives a supplementary order on the ECM product FormPipe Platina from a Swedish authority within the Swedish Armed Forces. The total order value amounts to SEK 2 million.

"More and more of our existing customers are increasing their investments in our ECM products. It is one of the best evidences to get that our solutions satisfy the needs of the market", says Christian Sundin, CEO of FormPipe Software.

Of the total order value, license revenues of SEK 1.4 million are recorded in fourth quarter of 2012, while associated revenue will be allocated throughout the contract period.

This is a translation of the original Swedish version. In the event of any discrepancies between the two versions, the original Swedish version shall take precedence.
